

# Ferix<sup>®</sup>

Carbonyl iron, folic acid and zinc capsule

Feature	Benefits
Carbonyl iron এর particle size 5 microns (Avg)	যার ফলে complete absorption ensure করে এবং 2-5 times higher bioavailability show করে।
Carbonyl iron, elemental iron এর 98% pure form	তাই Carbonyl iron highly pure form of iron than IPC & other Ferrous salt forms.
Side effect এর frequency সরাসরি related to percentage of elemental iron, আর যেহেতু Carbonyl iron 98% pure	তাই Ferix is well tolerated & safer than conventional iron form
